Another spam email sent to me by some ridiculously ridiculous con merchant

how anyone can fall for this shite is beyond me

I found it funny that they managed to come up with some really Scottish sounding name for the “barrister” sending the email but unfortunately they added an ‘a’ where no real Andrew would have an a. The late Engr. Juriaan Kugger was a ‘widely *traveled* man’ so he must’ve come into contact with me, he just must’ve. I reckon I’d probably remember Thirty Million, One Hundred Thousand Dollars (USD$30, 100.000.00) worth of contact, wouldn’t you?

I couldn’t help but send a reply...HAHAHAHAHAHAHAHAHAHA feck off!

NOTIFICATION LETTER !!!

On behalf of the Trustees and Executor of the estate of Late Engr.Juriaan Kugger. I once again try to notify you as my earlier letter were returned undelivered.
I wish to notify you that late Engr. Juriaan Kugger made you a beneficiary to his WILL. He left the sum of Thirty Million, One Hundred Thousand Dollars (USD$30, 100.000.00) to you in the Codicil and last testament to his WILL.

This may sound strange and unbelievable to you, but it is real and true. Being a widely traveled man, he must have been in contact with you in the past or simply you were nominated to him by one of his numerous friends abroad who wished you good.

Engr. Juriaan Kugger until his death was a member of the Helicopter Society and the Institute of Electronic & Electrical Engineers. Please if I reach you as I am hopeful, endeavor to get back to me as soon as possible to enable me conclude my job.
